The S.A.V.E. Yourself program is a training that focuses on surviving violence with an emphasis on surviving the threat posed by workplace/school violence and today's active killer. Training will focus on prevention, recognition and a proactive response to violence. Employees will be EMPOWERED to SURVIVE after hearing the S.A.V.E. Yourself message. It is no longer good enough to simply hide under your desk and hope for the best.

"S.A.V.E. Yourself" incorporates the most current training philosophies and best practices shared by organizations including: U.S. Department of Homeland Security, U.S. Department of Justice, U.S. Department of Education, International Association of Chiefs of Police, American College of Surgeons, O.S.H.A. and S.H.R.M.
